

Ready to Buy a Home?

Don't do it alone.

As a mortgage originator, I can make finding the right loan as easy as it can be for you. I am backed by a team of dedicated financial specialists who are among the best in the business. We can work together to secure a loan that meets your financial needs.

Know your price range ahead of time.

Before you start house hunting, let me secure a loan pre-qualification letter for you. This letter will tell you how much you can afford, which will keep you from wasting time on houses that are out of your price range. Once you find the right home, you'll be prepared to make an immediate offer - an edge needed in a competitive market.

Understand and consider all of your available options.

I'll show you a variety of loan products and programs we can discuss. Together, we'll find what works best for you and we can work on securing a loan rate that will save you the most money. Some of our loan options include:

- FHA, VA, & USDA
- Down Payment Assistance
- Adjustable & Fixed Rate
- 203(k)
- Conventional
